Cary Park District
Summer Day Camp Field Trips 2008

Camp Wannalottafun and Explorers will take a field trip once per session. Crafty Campers Club and Sports Plus Camp will take two field trips per session (one will be combined with Camp Explorers and the other will be on their own). Camp Wannalottafun usually takes their trip on Thursday and Camp Explorers usually takes their trip on Wednesday. Sunshine Camp does not take field trips, due to the ages of the campers. **It is very important that campers arrive to camp on time on field trip days.** All counselors chaperone the field trips, with no staff staying back at the camp site.

Listed below is the date of the trip, location of trip, departure time from the camp site and a brief description of the activity. Trip information is subject to change, so please refer to your weekly camp calendar for any updates. If you have any questions, please ask the Day Camp staff.
