

Spring Break Kid's Day-Off School Activities

When there is a day off school we have a fun day planned! Your child will be safe, supervised, and enjoying a busy day of play on his or her day off. Day-Off activities are open to children ages 5 - 12 years who attend District 26 and SS. Peter and Paul schools. Children do not have to be enrolled in the weekly E.T. KidZone before and after school program to participate.

Begin and end your day at the Community Center with a variety of activities that may include games, sports, outdoor fun, movies, crafts, and more. Then, sometime throughout the day we will either board the bus for a field trip or have a special activity planned at the Community Center.
