# Cary Park District Information Directory

The Cary Park District was approved by voter referendum on October 30, 1971. As a park district, the Cary Park District's purpose is to acquire and maintain land and facilities for park and recreation purposes, and organize and supervise planned recreation programs. The District's mission is providing exceptional recreation, parks and open space opportunities.

Created as a separate unit of government, the Cary Park District is a municipal corporation and local taxing authority for its stated purpose. It is authorized by legislation to levy and collect taxes, and to establish local policy, ordinances, and resolutions to enact and complete its purpose. It serves approximately 21,450 people in the villages of Cary, Trout Valley, part of Oakwood Hills and Lake in the Hills, and unincorporated McHenry County. The Cary Park District's annual budget for the fiscal year beginning May 1, 2019 and ending April 30, 2020 is \$17,570,925.

The Cary Park District Board of Commissioners governs the agency's affairs. There are five members on the Board, and they are elected for six-year terms of office, without compensation, pursuant to the provisions of the Park District Code found in 70 ILCS 1205 (1995). The Board of Commissioners approves policies and plans for the operations of the Park District. Cary Park District Board of Commissioners includes:

<u>Name</u>	<u>Term</u>
Michael Murphy	2021
Michael Renner	2021
Keith Frangiamore	2023
Phil Stanko	2025
Melissa Victor	2025

The Board meets regularly on the fourth Thursday of each month at 7:00 pm at the Community Center, 255 Briargate Road, Cary, Illinois, 60013. A copy of Fiscal Year 2017 – 18 Public Meeting Schedule is attached.

The Board has three standing committees that meet on the second Thursday of each month at the Community Center: Administration, Finance, and Personnel Committee (6:30 pm), Park & Recreation Operations Committee (7:00 pm) and the Planning & Development Committee (7:30 pm). The Executive Director Committee meets four times a year in October, January, February, and March.

A staff of 23 full-time and approximately 140 part-time employees conducts the business of the agency. An organizational chart is attached to identify the Cary Park District's functional subdivisions.

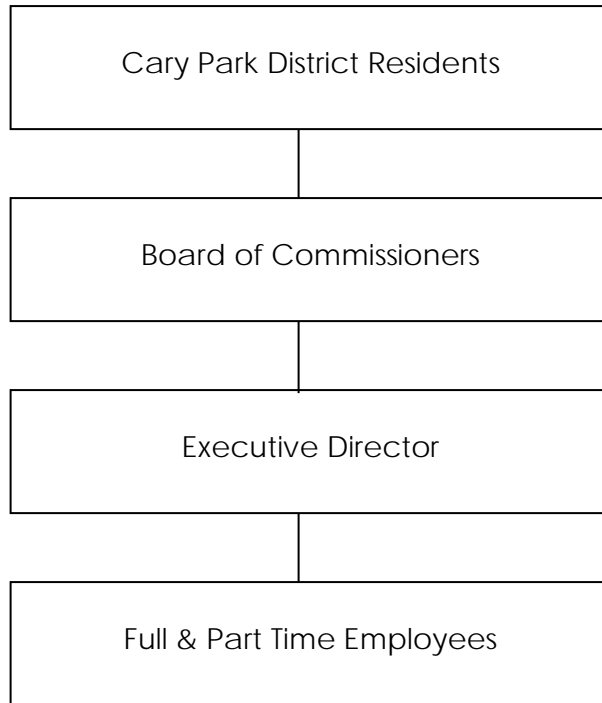

The Cary Park District operates six facilities: four that are owned and two that are leased. They include: the Community Center/Administrative Offices, 255 Briargate Road; Preschool, 100 Cary-Algonquin Road; Maintenance Garage, 1200 Silver Lake Road; Foxford Hills Golf Club, 6800 S. Rawson Bridge Road; August Kraus Senior Center, 441 W. Main Street (leased); Administrative Annex, 855 Feinberg Court, Suite 113 (leased).

Citizen advisory task forces and citizen advisory committees are created as necessary and meet to assist the Board of Commissioners in developing policies and planning parks and recreation facilities. An advisory task force is a group formed to provide advice on a single, defined purpose to the Board or Board Committee. Once completed, this group is disbanded. An advisory committee is a group formed to provide advice on a routine basis to the Board in a particular area of the District's operation. Bylaws are developed and approved for the group by the Board of Commissioners. Members are appointed to a specific length of term according to the bylaws. Action by this committee occurs in the form of an approved recommendation of advice on policy matters to the Board of Commissioners. Neither type of group has fiscal authority or operating responsibility and the Board determines the final policy action taken.
