Roll call vote: Yes – Frangiamore, Carasso, Stanko, and Renner. No – None. Motion carried.

***VII.C. Discussion Items***

**VII.C.1 – Update – Outdoor Aquatic Facility Project.**

Jones stated that the construction on the project is 5-6 months in progress and that he had invited Bohlin and Huuman to provide the Board an update on the project. Bohlin reviewed the contract value log for the project through early November. Bohlin reviewed challenges related to weather and the permit process. Bohlin commented on roof material and store front (glass) being two items affected by supply issues. He added that temporary roofs had been added to all buildings. Huuman stated that from Williams perspective the project is moving along fine. He commended Lamp, Bohlin and the site superintendent Bob Arnolde on working hard to make up time and adjust the schedule maximize progress at the site.

Renner stated that he and other Commissioners had been given the opportunity to tour the site on several occasions and see the progress first hand. Stanko asked if work would continue in the winter on the interior of the buildings and Bohlin stated yes. Renner asked about the pour of the lap pool and the

progress expected before winter really hits hard. Bohlin stated it is a top priority to get the lap pool poured over the next several weeks, weather permitting. The Board of Commissioners thank both Bohlin and Huuman for their work on the project.
