

Cary Park District Preschool
2022/2023 School Year
Permission to Publish Home Information
(Name, telephone number, address)

Sometimes special friendships are formed in preschool and children wish to have their friends visit their homes. In an effort to assist parents, we ask permission to release class lists including addresses and phone numbers. We will compile the Friendship Class List during the first month of preschool based on information you would like included.

(Please check one)

_____ I grant the Cary Park District Preschool permission to publish my child's name, telephone number and address for the Friendship Class List.

_____ I do not grant the Cary Park District Preschool permission to publish my child's home information for the Friendship Class List.
