

Cary Park District Preschool

September 2022

| WEEKLY THEMES | TUESDAY | WEDNESDAY | THURSDAY |
|---|--|---|--|
| Welcome to Preschool | <p>6 First Day of School! We will explore our classroom and learn about our centers. We will read <u><i>The Night Before Preschool</i></u> by Natasha Wing and create a self-portrait.</p> | <p>7 Monster Listeners We will talk about how to be a monster listener in our classroom and create monster puppets to practice our new skill. We will read a monster book titled <i>Can you listen with your...?</i></p> | <p>8 Being A Friend We will talk about friendship and being unique by reading <u><i>A Color of His Own</i></u> by Leo Lionni. We will create our own unique chameleon with watercolors.</p> |
| All About Me | <p>13 All About Me We will read <u><i>What I Like About Me!</i></u> by Allia Zoble Nolan and create an "All About Me" class book to display. *Bring a picture of you today.</p> | <p>14 We Are All Unique We will discuss how everyone is unique and talk about what we like about ourselves. We will measure ourselves and observe our hair and eye color.</p> | <p>15 The Things I Like Today we will share the "Things we like" with our friends. We will make a "Things I Like" collage to display in our room.</p> |
| Family, Friends, Feelings | <p>20 Family We are going to read <u><i>This is My Family</i></u> by Mercer Mayer and introduce <u><i>Our Families</i></u> Class Book. We will each create our own My Family page to add to our class book. *Please send in a 4x6 family picture with your child*</p> | <p>21 Friends We will play games learning our new friends' names. We will read <u><i>I'm Like You, You're Like Me</i></u> by Cindy Gainer. We will also create a friend handprint wreath to hang in our classroom. Letter Art- Letter F</p> | <p>22 Feelings We will read <u><i>When Sophie Gets Really Angry- Really, Really Angry...</i></u> by Molly Bangkok and talk about our feelings. Journal Day - Letter F **Scholastic Book Order Due**</p> |
| Apples | <p>27 Apples We will begin our week with <u><i>Ten Red Apples</i></u> by Pat Hutchins. We will make our own apple tree and count 1-2-3 how many apples are on our tree.</p> | <p>28 Apple Science We will work in our science center and record observations about our apples together. We will also play some apple math games. *Picture Day- Bring your smile! *Please bring an apple to class today. Letter Art- Letter A</p> | <p>29 Apple Life Cycle We will learn where our apples come from by learning a song and doing a craft. We will also show off our cutting skills by completing an apple cutting activity. *Field Trip to Give Back Gardens* Journal Day- Letter A</p> |
