- **Rain Plan**
 - There is potential for some rain this week. Many have asked what we do during inclement weather.
 - Ultimately, the answer is, it depends on many factors. It depends on the severity of the weather, the utilization of the Community Center, and the number of kids we have.
 - Different groups MAY be bussed to the Community Center while other groups stay in the shelter.
 - If weather is not too bad or is going to pass, kids may just play games in the shelter until it clears up.
 - We will communicate as soon as a plan during these times is set!
