

Cary Park District Preschool

Permission to Publish Home Information

2023-2024

Sometimes special friendships are formed in preschool and children wish to have their friends visit their homes. In an effort to assist parents, we ask permission to release information including email, phone number, and home address. We will compile the Friendship Class List during the first month of preschool based on information you would like included.

(Please check one)

_____ I grant the Cary Park District Preschool permission to publish my child's name, email, phone number, and home address for the Friendship Class List.

_____ I do not grant the Cary Park District Preschool permission to publish my child's home information for the Friendship Class List.
