To the Residents of the Cary Park District:

The Park District is pleased to present its FY 2024-25 Budget. As always, the information provided is intended to be done in a “user-friendly” format. The Park District hopes you will read it to become more familiar with how the Park District manages its daily operations and finances in the most efficient manner possible.

- The annual budget is a legal requirement for Illinois Park Districts. The proposed budget and appropriations document is attached to this booklet as Ordinance **O-2024-25-01**, Budget & Appropriations Ordinance, in its legal form.
- The budget is also a management tool that helps the agency track revenues and expenditures, and effectively provides the services that benefit the community. This budget booklet identifies the financial manner by which the Park District will attempt to meet its goals.
- The budget also reflects the Park District’s mission, vision and goals; these are identified in this document for your review.
- The budget provides the community with a means for input into the Park District’s operations. It is intended to serve as a public communication tool to improve and provide a better understanding of the Park District’s fiscal responsibilities.

The Park District was established on October 30, 1971. The Park District is recognized as a *Distinguished Park & Recreation Accredited Agency*, a joint award from the Illinois Association of Park Districts (IAPD) and the Illinois Park and Recreation Association (IPRA). The Park District applied to the Government Finance Officers Association of the United States and Canada (GFOA) for the Certificate of Achievement for Excellence in Financial Reporting to the Park District for its annual comprehensive financial report for the fiscal year ended April 30, 2023. The District has received this prestigious award for seventeen consecutive years and is confident that the annual comprehensive financial report continues to meet the Certificate of Achievement Program’s requirements. This year’s budget reflects the continuing commitment of the Board of Commissioners and management to provide the highest quality parks and recreation programs,

facilities and services possible to the community while ensuring efficient and effective use of Park District financial resources and assets.

On February 23, 2023, the Board approved an update of the Comprehensive Master Plan 2023 Action Plan Update. The proposed budget for FY 2024-25 includes funding for the following items from the Action Plan:

- Comprehensive Master Plan Update – Identify/Request for Quote (RFQ) consultant, Planning & Financial Review
- Distinguished Accreditation - Review.
- Lions Park Parking Lot Replacement – Bid, Construct/Complete Construct.
- Sands Main Street Prairie Nature Preserve Vegetation Enhancement & Management Plan - Implementation

The Park District places a high priority on maintaining what it currently owns. Currently owned equipment is evaluated before replacement to determine whether the unit is still functional and reliable, without incurring major repair costs. The Capital Equipment Replacement Fund (CERF) provides the financial plan to provide for timely replacement of equipment, including mechanical equipment and building components without having to eliminate other programs or services from the budget to do so. The CERF fund is reviewed on an annual basis, as part of the budget process, to ensure that the Park District is staying out in front of these changes and ensuring that it will be able to meet its obligations. To that end, new this year, the capital equipment replacement needs associated with maintaining and improving upon the Park District's recreation and facility programming areas have been added to the CERF schedule. Capital equipment items associated with the Foxford Hills Golf Course (FHGC) have a separate CERF schedule which can be found in the FHGC section of the budget document. The CERF schedules have been updated for FY 2024-25 and additional detail can be found on pages 33-34 and pages 53-55.

The Park District's ADA Transition Plan 2023 Update, highlighting completed and future accessibility plans, was approved by the Board of Commissioners on July 27, 2023. To meet the Park District's goal of implementing its ADA Transition Plan; money is budgeted to address these needs in the Special Recreation Fund. The Park District's ADA Transition Plan takes into account the Park District's parks and facilities, operations, and fiscal resources needed to deliver basic services and experiences to all people with disabilities while maintaining the intrinsic qualities of the parks and/or natural area settings. In FY 2024-25, \$4,450 was placed in the budget for the Park District's website accessibility project. This is a new project and will be an ongoing focus to improve the Park District's website for all users. The Park District's website will be enhanced to conform with Website Content Accessibility Guidelines (WCAG), thereby allowing visitors, regardless of ability, to have a seamless experience. Additionally, \$10,000 was placed in the budget for planning related to restroom accessibility for the preschool restrooms.

FY 2024-25 will mark the 21st golf season, Foxford Hills Golf Club (FHGC) has operated under Cary Park District ownership. Over the last 21 years the course continues to grow incrementally in all departments. Based on pre-bookings in outings, season passes, and daily fee rounds being pre-booked, management staff is expecting to do 35,627 rounds. The largest round number budgeted to start a year. Historical norms for rounds at Foxford Hills over the first 16 years of operation fell between 27,000 to 29,000 total rounds each fiscal year.

Based on the projection of 35,627 rounds, management staff is forecasting gross revenues approaching \$2.137M for FY 2024-25. The management team at Foxford Hills believes these projections are strong but within the realms of what has been done the last three years based on growth in rounds and usage of amenities. As we approach FY 2024-25, Foxford Hills management team does not believe other golf courses in the greater marketplace will transition backwards in terms of golf rates or amenity charges due to the continued increase in prices of all goods and service offered by vendors.

The expectation is that the golf course will continue to be maintained at a high level and serve as a wonderful asset to residents and the surrounding areas who use Foxford Hills Golf Club.

Finally, the budget reflects the Park District's continued commitment to provide high quality parks and recreation program opportunities. The recreation programming made available in the community continues to be offered at a high quality level and additional program opportunities are being offered where new opportunities have been identified.

Thank you for taking the time to read this document. If you have any questions, please contact any Commissioner, the Executive Director - Dan Jones, or Director of Finance & Administration – Vicki Krueger. Either of whom will be happy to discuss the Park District's financial picture with you.

Organizational Chart Full & Part Time Employees Policy 2-002, Attachment A

Mission, Vision & Goals

Mission

The Park District mission statement is as follows:

Providing exceptional recreation, parks and open space opportunities.

Vision

The Park District Board of Commissioners has adopted the following vision for the Park District:

The Park District is committed as an organization to provide exceptional parks and lifelong recreational opportunities.

Recreation

Provide non-discriminatory leisure opportunities for the region to participate in active and passive, supervised and non-supervised, for-fee and free, parks and recreation programs, facilities and services.

Preservation, Heritage & Community Character

Lead the community in efforts to maintain and preserve the open space, natural and historical heritage, and “rural-suburban” character of the communities that we serve.

Service, Meeting the Needs of the Community

Provide services that are proactive where possible that meets or exceeds the current and future needs of the community.

Excellence & Value

Work with a commitment toward excellence and value as recognized by the community.

Cooperation

Through cooperation with other governmental, non-profit and private sector agencies, we can often get more accomplished for the community than our own individual efforts may allow.

Progressive Innovation

Lead the field in parks and recreation for communities our size through progressive and innovative practices.

Long-Range Goals

The Board has adopted the following Long-Range Goal for the Park District:

The Long Range Goal of the Park District is to provide exceptional services in the following areas:

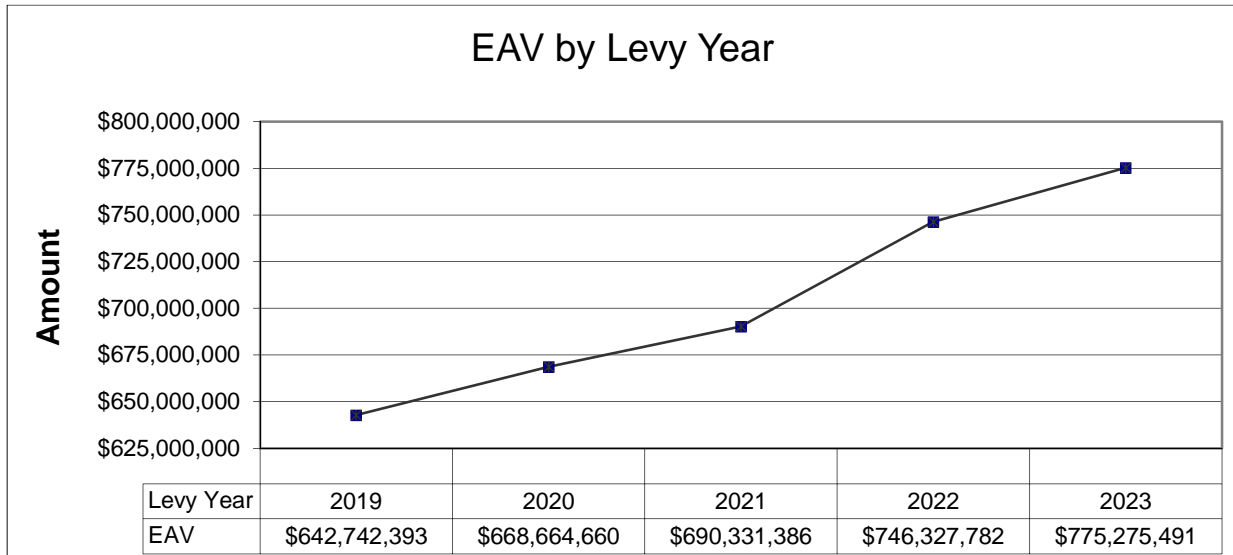

- Parks & Open Space Operations. Provide park maintenance and open space preservation services to the community.
- Recreation Programs & Facilities Operations. Provide recreation programs, facilities and services to the community.
- Community Information. Provide communications, information and public relations services to the community.
- Administration. Provide support services in administration, finance, personnel, technology, risk management, planning and development to the agency.

The Board of Commissioners annually adopts work initiatives for the Executive Director to accomplish in support of the Long Range Goals of the Park District.

Historical Perspectives

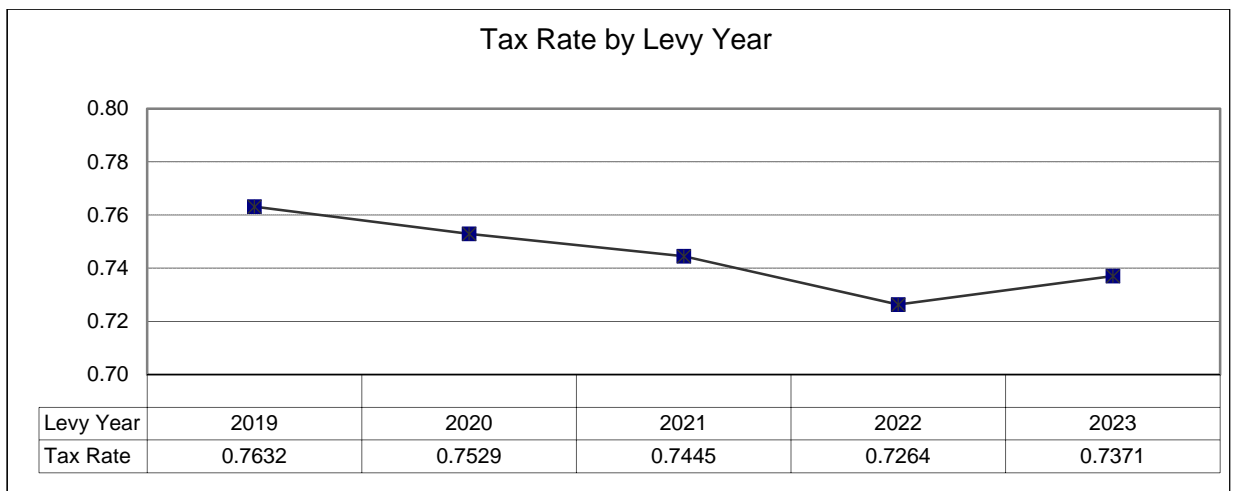

Equalized Assessed Valuation (EAV) History

The Park District boundaries determine the equalized assessed valuation (EAV) of the Park District. The EAV is used to determine the tax rate applied to each taxable property based on the Park District’s annual levy. A five-year history of the Park District’s EAV appears in the table below.

Tax Rate History

Taxes are collected in the fiscal year following the levy year, thus taxes collected in the FY 2024-25 Budget are produced by the 2023 Levy. Under tax cap legislation, the Park District’s tax extension increase is limited to the lower of 5% or the increase in the CPI, plus new growth. The tax extension for 2023 allows for the maximum 5% CPI increase. A five-year history of the Park District tax rate appears in the table below.

Financial History

Operating revenues for the Park District are received in the form of real estate and personal property replacement taxes, program revenue, golf fees & charges, product sales, rentals, grants, investment interest, donations, and miscellaneous receipts. The Park District also receives funds from bond proceeds for debt repayment, capital acquisitions, projects and similar purposes. The Park District received \$2,985,000 in FY 2020-21 and \$9,200,000 in FY 2021-22 in bond proceeds as funding for planning, design, bidding and construction costs for Sunburst Bay Aquatic Center at Cary-Grove Park. In FY 2021-22, bond proceeds received were partially offset by a decline in program revenue due to the COVID-19 pandemic. The combined total revenues for the Park District for the past five years and the proposed FY 2024-25 Budget are identified in the table below:

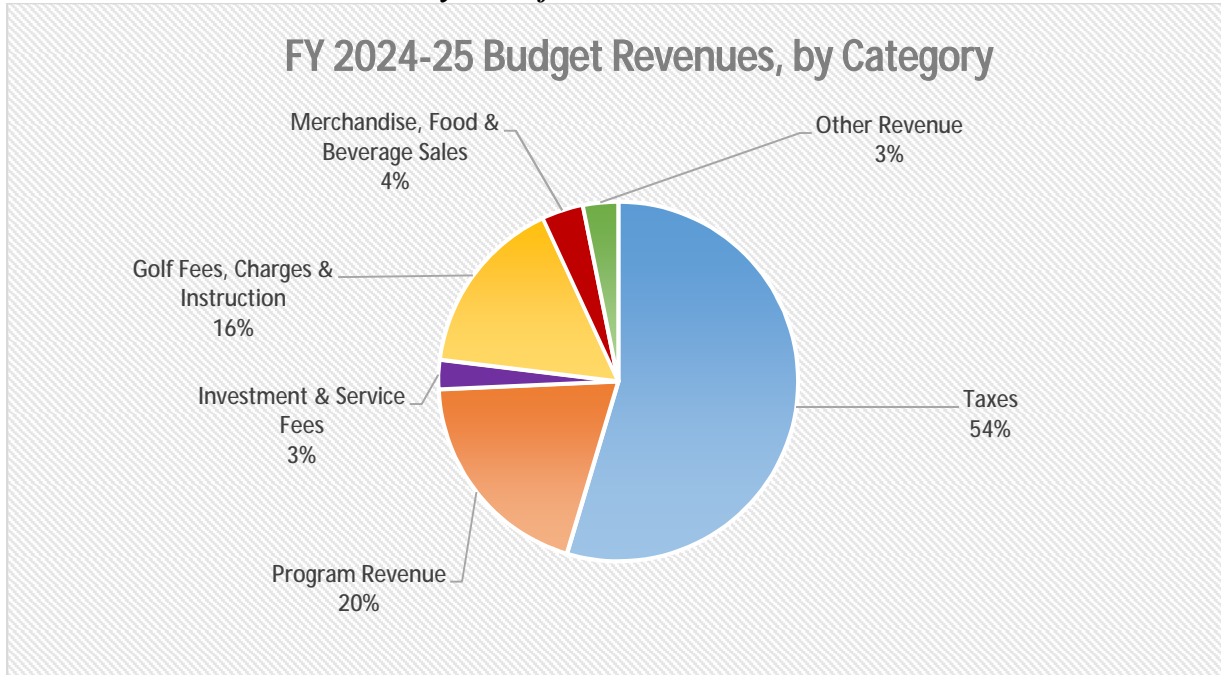

Operating expenditures are categorized as personnel and payroll related costs, professional services, services, commodities, repairs and maintenance, and depreciation. Capital projects, as well as purchases of major equipment, are categorized as capital. Debt service includes principal and interest payments. Expenditures in FY 2021-22 include \$9,177,013 of capital expenditures for the design, bidding and construction costs associated with Sunburst Bay Aquatic Center at Cary-Grove Park. FY 2022-23 expenditures include \$2,286,513 of capital expenditures for completion of the Sunburst Bay Aquatic Center. The combined total expenditures for the Park District for the past five years and the proposed FY 2024-25 Budget are identified in the table below:

FY 2024-25 Proposed Budget Breakdown

Revenues: Where does the money come from?

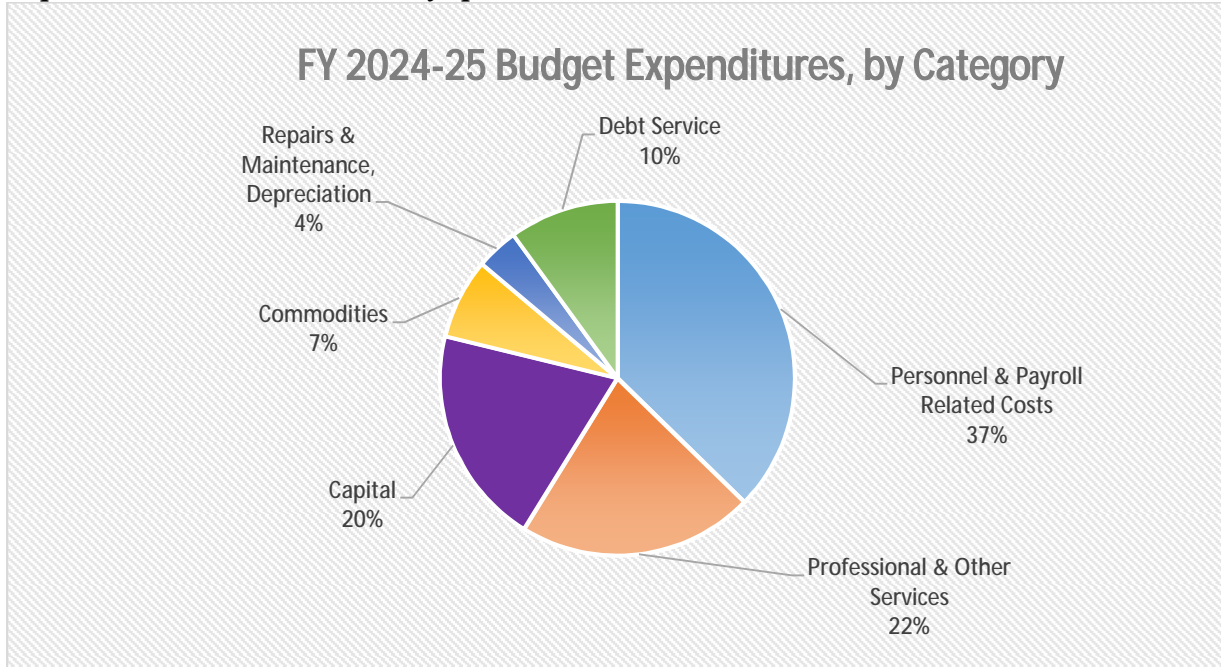

Property and replacement taxes are the Park District’s largest revenue category, accounting for 54% of budgeted revenues. The Park District recognizes property taxes as revenue in the year for which they are levied. The Personal Property Replacement tax was enacted by the State of Illinois as a replacement for personal property tax, the tax is distributed to local governments as a share of the Corporate Income tax.

Program revenue accounts for 20% of budgeted revenue. Program revenue includes fees from various recreational activity programming, fees from the operation of preschool, day camp and before and after school programs, and daily fees and memberships from the Fitness Center and the Sunburst Bay Aquatic Center at Cary-Grove Park.

The Park District owns and, through contracted management, operates an 18-hole golf course and lighted driving range. Golf fees, charges and instruction account for 16% of budgeted revenue in the proposed budget.

Investment income, donations, facility rental, proceeds from the sale of assets and other miscellaneous revenue are budgeted to contribute 6% of budgeted revenue. Merchandise, food and beverages sales at Foxford Hills Golf Club is budgeted to contribute the remaining 4% of budgeted revenue.

Expenditures: How is the money spent?

Personnel & Payroll Related Costs are the largest budgeted expenditure category for the Park District at 37% of the total. This category includes salaries and wages, employer’s portion of the Social Security tax, employer’s pension contribution, workers’ compensation insurance and group health insurance premiums.

Professional and Other Services is the second largest budgeted expenditure category at 22% of the total. Payroll and payroll related costs for GolfVisions employees at Foxford Hills Golf Club are included within the Professional and Other Services category. The Park District’s member dues for funding the Northern Illinois Special Recreation Association are also included within this category.

Capital purchases is the third largest budgeted expenditure category at 20% of the total. Various park development and improvement projects are included in this category, along with Capital equipment purchases. FY 2024-25 capital expenditures include the Lions Park Pavement Replacement Project

Debt Service is the next largest budgeted expenditure category at 10% of the total. Debt Service includes both principal and interest payments on long-term debt payable during FY 2024-25.

Commodities purchases account for 7% of the Park District’s total budgeted expenditures. Supplies for Recreation programs, park maintenance and the golf course are included in this category.

The remaining 4% includes budgeted expenditures related to repairs and maintenance of facilities and equipment and depreciation of assets related to the Foxford Hills Golf Club Fund.

What benefits does the community receive from the Park District?

The residents receive many benefits through the Park District. The community is provided over 860 acres of parks and open space at 48 different sites. The Sunburst Bay Aquatic Center opened in June 2022. The Park District also operates a Community Center with fitness equipment, programming, and banquet/meeting rooms. Outdoor facilities include playgrounds and playing fields, picnic facilities, volleyball courts, a splash pad, a dog park, a disc golf course, sand volleyball courts, community garden plots, a skate park, a prairie nature preserve and an outdoor amphitheater. The Park District owns and, through contracted management, operates an 18-hole golf course and lighted driving range. The Park District also operates a preschool, before and after school, and summer day camp programs. The Park District provides and maintains approximately 8.2 miles of trails.

Individual benefits to the community include

- a place for improved self-esteem and self-reliance
- a place for psychological and physical stress relief
- a balance between work and play
- personal development and growth

Social benefits to the community include

- an opportunity for connected families
- cultural understanding
- lifelines for our youngest and eldest members
- social bonding

Environmental benefits to the community include

- cleaner air and water
- better watershed
- trees and native plants
- preservation of open space
- source of community pride

Conclusion

We hope you have found this information to be beneficial to your understanding of the Park District's operation and budget. The Park District is here to serve and meet your park and recreation needs. We can only accomplish this through your continued and active involvement in the community.

Thank you.

Cary Park District
For Fiscal Year Ending April 30, 2025
Summary Information

A number of summary financial reports have been included in the FY 2024-25 Budget documents. These have been provided to help you assess the current financial condition of the Park District. They will also guide you in determining how budgetary decisions may impact the fiscal results of the Park District.

Budgetary Basis

All governmental funds are on a modified accrual basis for budgeting. This basis is in accordance with *Generally Accepted Accounting Principles (GAAP)*. The modified accrual basis records revenues at the point they are earned (goods or services delivered) and they are available to pay current liabilities (bills due within the next 30 days). Expenditures are recorded when the Park District has received the goods or services rather than waiting until the bill is paid.

The Park District's Enterprise fund, the Foxford Hills Golf Club Fund, is budgeted and reported on the full accrual basis in accordance with *GAAP*. Revenues are recognized when earned without regard to when they will be received (no 30 day rule). Expenses are recognized when the liability is incurred. In addition, purchases that satisfy the capitalization criteria are recorded as fixed assets subject to depreciation as opposed to being expensed under modified accrual.

Budgetary Highlights

Revenues

Net collectable property tax revenue is budgeted to increase by \$289,542 from the current fiscal year projected. This amount incorporates the financial effect of both the 5% C.P.I. increase as well as new construction within the Park District and the growth in the Park District's *Equalized Assessed Valuation (EAV)*. Program revenue in the Recreation Fund is budgeted to increase by \$192,995 over the FY 2023-24 projected.

Expenditures

The addition of a full-time position and other additional staff added due to the growth of the District, increases in minimum wage, increases in facility maintenance costs and other inflationary pressures have caused the Park District's operating expenditures to increase. Overall, the Park District is budgeting for an increase in operating expenditures of \$609,948 (8.1%) as compared to FY 2023-24 projected actual.

The FY 2024-25 proposed budget has a staffing level of 26 full-time positions, an increase of one position over the FY 2023-24 budget.

Depreciation is included for the fixed assets of the Enterprise fund, the Foxford Hills Golf Club Fund.

Capital includes any purchase, major repair or major project the Park District undertakes that meet the capitalization threshold of the Park District. The FY 2024-25 proposed budget includes funds for the Lions Park parking lot replacement project, an update to the Comprehensive Master Plan and needed maintenance repairs to the Community Center.

Transfers In/Out

Transfers between funds have been eliminated for presentation of the Park District's Proposed Budget – All Funds. Subsequent fund detail presentations will include fund transfer amounts.

Cary Park District
Budget for Fiscal Year Ending April 30, 2025
Fund Information

Corporate Fund

Fund Description

The Corporate Fund accounts for the general revenues and expenditures of the Park District which are not included in another fund.

Revenues

Revenues for the Corporate Fund include a tax levy, an allocation by the State of Illinois of the *Personal Property Replacement Tax*, revenue generated from the rental of non-recreational facilities, and an allocated portion of investment income earned by the Park District.

Transfers In

A Transfer In of \$361,298 from the Recreation Fund to be used for various Park District expenditures is included in the FY 2024-25 proposed budget.

Expenditures

Operating Expenditures

Expenditures related to general Park District operations, planning, and park operations are included within the Corporate Fund. Personnel & Payroll Related Costs are budgeted to increase \$186,753 (11.7%) over the FY 2023-24 projected. Two positions currently budgeted as part-time 1 positions are budgeted as full-time in FY 2024-25. The District has also been affected by the insurance requirements of the Affordable Care Act.

Capital

The capital expenditure of \$9,340 is to fund the purchase of a work order software system to increase the operating efficiency of the Parks department.

Transfers Out

Through the use of Corporate tax revenue the Park District transfers out funding for the debt service due on a portion of the 2018A, 2019A, 2020A and 2021A debt issues. An additional transfer to the G.O. Ltd. Tax Park Bond & Interest Fund is included in the proposed budget to cover debt service expenditures as needed.

A transfer for the funding of the Capital Equipment Replacement Fund is also being budgeted in the Corporate Fund.

Total transfers of \$367,309 from the Corporate Fund to the Capital Projects Fund is included in the proposed budget. The transfers consist of \$227,029 from the Corporate Fund to the Capital Projects Fund as a source of Capital Projects funding and \$140,280 of investment income as an additional source of funding for Capital Projects.

Budget for Fiscal Year Ending April 30, 2025
Fund Information

Recreation Fund

Fund Description

The Recreation Fund accounts for the revenues and expenditures, including facility and field maintenance, related to the various recreation programs of the Park District.

Revenues

Revenues for the Recreation Fund are provided by a combination of program and other fees, a tax levy and an allocated portion of investment income earned by the Park District. To offset scheduled increases in minimum wage as well as other increased expenses, program fees were increased in various programs.

Staff has taken various steps to maintain or increase program, membership and facility rental receipts in FY 2024-25.

1. Continue partnership with McHenry County Conservation District through the use of the Fel-Pro/RRR Conservation site to host Camp ECHO and ECHO Extreme programs.
2. Preschool will offer seven classes for the 2024-25 school year.
3. Offer the ET KidZone program at the four elementary schools of School District 26. It is assumed that all four sites will be staffed and combining sites will not be necessary. This will allow for increased capacity.
4. New Sunburst Bay Swim School with newly redesigned curriculum.
5. Stars N' Stripes Fest will replace Summer Celebration as the largest special event which will now include expanded activities and a beer garden.
6. The addition of several new programs and activities scheduled for youth, adults and families are planned for this fiscal year.

Expenditures

Expenditures related to various recreational programs and facility maintenance are found within the Recreation Fund. Staff has taken various factors into account to control and monitor expenditures.

1. Continue evaluation of current staff positions, staffing levels and staff wages to stay competitive to retain quality staff and attract new staff.
2. Increase in wages due to an increase in minimum wage that will occur on January 1, 2025.
3. Several free events continue to be offered for the community throughout the fiscal year. Some of these include: Summer concert series, children's entertainment series, pumpkin roll/smash, holiday events, kite fly, teen outreach and senior activities.

Capital

The FY 2023-24 proposed budget included \$115,000 for the replacement of the 2011 mini bus. The final expected cost of the replacement mini bus is \$99,790. The bus has a delivery deadline of before April 30, 2024 with a late delivery penalty of \$200/per day past the delivery deadline. As delivery of the mini bus prior to April 30, 2024 is uncertain, it has been moved to the FY 2024-25 to ensure funds are adequately budgeted.

Transfers Out

Transfers Out of \$361,298 to the Corporate Fund are being budgeted to provide funding for various Park District expenditures.

Assigned Fund Balance

Beginning in the FY 2024-25 proposed budget, the replacement of Recreation Fund capital items will be budgeted in the Capital Equipment Replacement Fund (CERF). As the replacement of the 2011 mini bus had originally been budgeted to come from the Recreation Fund in FY 2023-24, the replacement has not been moved to the CERF. The proposed budget includes Assigned Fund Balance of \$20,000 for replacement of items at Sunburst Bay Aquatic Center.

Fund Information

Foxford Hills Golf Club Fund

Fund Description

The Foxford Hills Golf Club Fund accounts for the revenues and expenses of Foxford Hills Golf Club (FHGC). The FHGC Fund is an Enterprise Fund. The fund is prepared on the full accrual basis of accounting. GolfVisions Management Inc., an agent of the Park District, is operating the course on behalf of the Park District.

Revenues

Funds are accumulated through user charges and sales. User charges include green fees, cart rentals, a season pass program, special monthly outings sponsored by the club, non-club sponsored golf outings, junior golf league through the PGA of America, private and group lessons, permanent tee time fees, and driving range bucket sales. Green fees are booked via the course website, the management company's website, GolfNow's family of websites and through phone reservations. Food and beverage sales take place both in the clubhouse and out on the course via fully stocked motorized golf carts and banquet offerings for golfers and private parties. Merchandise sales include items contained within the pro shop and include apparel for men and women, golf balls, hats, towels, and quick grab 'n' go items.

FHGC's management team is forecasting a strong FY 2024-25 on the revenue side of the business. The only outliers for revenue production at the course are weather and the local competitive market reverting back to dynamic pricing models by third party on-line booking agents lowering rates to get market share. Management is forecasting doing \$2.137M on 35,627 rounds of play. Strong revenue sales in the restaurant, on the beverage cart, driving range and the season pass program should help drive the revenue numbers. Pre-bookings on golf outings and leagues during the winter were very strong. In the evaluation of the local and regional marketplace, management does not believe other golf courses will transition backwards in terms of pricing due to certain external factors affecting the expense side of the golf business.

Operating Expenses

Operating expenses include the materials, supplies and services necessary to operate the course. It also includes advertising and marketing, reimbursement of payroll expenses and the monthly management fee for GolfVisions. The reimbursement of payroll costs, including taxes and insurance of GolfVisions employees working at the course are included in the Professional Services category. To market the course effectively locally and regionally, GolfVisions' website, Cary Park District's website and GolfNow's family of websites are used throughout the golf season. Seasonal brochures produced by the park district and in-house at the course are used to market the course. E-blasts are then generated using the brochure information to market all events cost effectively on-line and on Facebook. Expenses for the FY 2024-25 budget have once again gone up due to supply chain issues and vendors increasing prices, lack of raw materials, equipment prices increasing, hard and soft goods prices increasing due to production shortages, petroleum based products increasing, food and beverage prices increasing and the annual minimum wage increase in the State of Illinois. Management will manage expenses to generate profitable bottom-line results operationally in FY 2024-25.

Capital

The FY 2024-25 budget includes a project to improve drainage of storm water along the southern edge of the driving range and along the northern edge of the parking lot to allow staff to effectively and efficiently retrieve range balls and return them to the ball dispenser for sale to customers. In addition, FHGC will purchase 85 golf carts in FY 2024-25. This intent was approved by the Board during FY 2023-24.

Foxford Hills Golf Club Fund Capital Replacement Schedule

Capital Purchases

As an Enterprise Fund, Foxford Hills Golf Club (FHGC) capitalizes the purchase of equipment and other capital items with an original cost of \$5,000 or more. The capital assets are depreciated over their estimated useful life.

The District believes that it is prudent to provide long-range fiscal planning with respect to replacement of capital items. A separate schedule follows of equipment and other capital items showing estimated replacement dates and costs.

The schedule will be reviewed yearly, replacement dates and costs will be updated as appropriate.

During the upcoming fiscal year, the following items are scheduled for replacement.

<u>Purchase Year</u>	<u>Equipment to Be Replaced</u>
2004	Maintenance Furnace/AC unit
2004	Clubhouse Roof with New Gutters
2010	Club Car Driving Range Utility Vehicle
2016	Irrigation Pump #1
2016	Lastec 2015 Mower, 4520 Articulator

Although scheduled for replacement, currently owned equipment is evaluated before replacement to determine whether the unit is still functional and reliable, without incurring major repair costs. Therefore scheduled replacements may be delayed. Also, if equipment breaks down earlier than anticipated, management of the Golf Course may need to move up the replacement of the equipment into FY 2024-25. Prior approval would need to be obtained from the Executive Director and Board of Commissioners prior to placement of an order. Management would evaluate cash flow and whether another item scheduled for replacement could be delayed before any request would be made.

Cary Park District
Budget for Fiscal Year Ending April 30, 2025
Fund Information

Developers' Donations Fund

Fund Description

The Developers' Donations Fund accounts for required impact fees received for new developments. Funds are used for the development of the particular subdivision's park(s), community wide facilities and community related projects. It also provides funds for the purchase of additional equipment required as a result of the development of new parks.

Revenues

Impact fees in the proposed budget are based on an estimate of construction permits to be issued. An allocated portion of investment income earned by the Park District is also received by the fund.

Expenditures

No expenditures are included in the proposed budget to aid in the buildup of funding for future projects.

Transfers Out

A Transfer Out to the Capital Projects Fund of \$510,000 of funding for the Lions Park parking lot replacement project is included in the budget.

Fund Information

G.O. Limited Tax Park Bond & Interest Fund

Fund Description

The G.O. Limited Tax Park Bond & Interest Fund accounts for the accumulation of resources for, and the payment of debt certificate and general obligation debt principal and interest.

Revenues

Revenues for the G.O. Limited Tax Park Bond & Interest Fund are provided by a tax levy, an allocated portion of investment income earned by the Park District and a Transfer In from the Corporate Fund.

Expenditures

Bond issuance costs and interest due on these bonds are paid from this fund. The bonds are issued with payment due within a year, which is considered short-term debt.

Transfers Out

The following Transfers Out are included in the FY 2024-25 proposed budget to provide funding of principal and interest payments on the related debt:

- \$305,335 to the Alternate Revenue Bond & Interest Fund 2018A
- 465,495 to the Sunburst Bay Aquatic Center Debt Fund

New this year, the bond proceeds from the annual rollover bond exceed the amount due on the District's alternate bond payments payable by December 15, 2023 by \$50,971. The excess funds are a source of Capital Projects Funding in the FY 2024-25 proposed budget and were transferred out to the Capital Projects Fund.

Liability Insurance Fund

Fund Description

The Liability Insurance Fund accounts for property, liability and worker's compensation insurance premium expenditures and risk management expenditures. It is also responsible for the reimbursement to the State of Illinois for any unemployment payments made by the State that are chargeable to the Park District.

Revenues

Funding for the Liability Insurance Fund is provided by a tax levy and an allocated portion of investment income earned by the Park District.

Expenditures

Operating Expenditures

The Park District is a member of the Park District Risk Management Agency (PDRMA); a Pooled Risk Organization comprised of park districts, special recreation associations and forest preserve/conservation districts throughout Illinois. PDRMA provides coverage for property, liability and worker's compensation claims. The Park District is responsible for a \$1,000 deductible per claim for damage to Park District owned property.

The Park District is self-insured for unemployment claims as opposed to a tax applied to the Park District's payroll by the State to fund future claims. Therefore the Park District must reimburse the State of Illinois for the cost of any benefits paid to a claimant as they occur

The Park District accounts for personnel and payroll related costs associated with its Safety and Risk Manager in the Liability Insurance Fund.

Capital Equipment Replacement Fund

Fund Description

The Capital Equipment Replacement Fund (CERF) provides a funded reserve for the systematic replacement of existing District maintenance equipment, mechanical equipment and vehicles. Beginning in FY 2024-25, some Recreation items have been added to the CERF for long-range fiscal planning purposes. This is a work in process, and as funding sources are identified more Recreation items will be added to the replacement schedule.

Revenues

The Corporate Fund provides funding for the CERF. As such, a transfer is being budgeted from the Corporate Fund to CERF. The proceeds from the sale of equipment are being reported separately within CERF since the funding schedule is based on estimated purchase price. CERF also receives an allocated portion of investment income earned by the Park District.

Expenditures

During the upcoming fiscal year, the following items are scheduled for replacement.

<u>Purchase Year</u>	<u>Equipment to Be Replaced</u>
2014	Ford F-150 Super Cab
2015	Ford F350 Dump
2016	Propane Kit, Ford F350 Dump
2007	Bannerman 6' Aerator
2013	Kifco T180 Water Reel
2016	Jacobsen HR-9016T Mower
2016	Woods SG100 Stump Grinder
2019	Z-Master 5000 Riding Mower, Propane
2010	West Roof Top Air Conditioning Unit, Trane Model (Community Center)
2010	Mid Roof Top Air Conditioning Unit, Trane Model (Community Center)
2019	Server
2018	Cybox Treadmills – (2)

Although scheduled for replacement, currently owned equipment is evaluated before replacement to determine whether the item is still functional and reliable, without incurring major repair costs. Therefore scheduled replacements may be delayed. Recently, some items have also been delayed due to supply chain issues.

Fund Information

IMRF/Social Security Fund

Fund Description

The IMRF/Social Security Fund accounts for the employer share of the pension contribution. This fund also accounts for the employer's cost for Social Security and Medicare taxes.

Revenues

Although received within one fund, separate tax levies are extended for IMRF and for Social Security and Medicare taxes. The fund also receives an allocated portion of investment income earned by the Park District.

Expenditures

The Park District's pension plan is through the Illinois Municipal Retirement Fund (IMRF). All employees that are scheduled to work a minimum of 1,000 hours per year are required to participate in the retirement plan.

The IMRF contribution rate is based on an actuarial determination of the Park District's projected pension liability. The rate is adjusted annually on a calendar year basis. The 2024 employer contribution rate is 6.57% of IMRF wages. While the IMRF contribution rate for calendar year 2025 has not yet been published, the Park District does not anticipate that a change in the rate will have a material impact on the FY 2024-25 Budget.

The employer's matching Social Security and Medicare taxes totaling 7.65% applied to salaries and wages are paid from this fund.

Fund Information

Special Recreation Fund

Fund Description

The Special Recreation Fund accounts for the disbursement of funds for expenditures to provide joint recreational programs for those with special needs and costs related to the accessibility of the Park District's facilities and sites. The Park District and twelve other park districts and city recreation departments form the Northern Illinois Special Recreation Association (*NISRA*). *NISRA* provides recreation programs for people with special needs.

Revenues

Funding is provided through a tax levy and an allocated portion of investment income earned by the Park District.

Expenditures

Expenditures in the FY 2024-25 proposed budget include funds for:

- The annual dues for the Park District's membership in *NISRA*
- The Park District's direct cost of providing inclusion services.
- The cost of a technology platform to improve the accessibility of the Park District website to meet ADA standards in this area thereby allowing visitors, regardless of ability, to have a seamless experience.
- The cost of improvements related to the accessibility of the Park District's facilities, trails, and playground equipment.
- A portion of the cost of Park District personnel who serve on the *NISRA* Board of Directors

Transfers Out

A Transfer Out to the Capital Projects Fund of \$159,000 for funding of accessibility related items in the Lions Park parking lot replacement project.
